OUR PRINCIPAL'S MESSAGE . . .

The "Echoes" will provide you with a library of fond memories. In later years it will be a source for recalling these memories and will cause you to reminisce of our school's traditions and customs.

It is difficult to realize that Riverview Gardens Senior High School has become a school with an enrollment of over 2,000 students. The physical growth has been immense; however, this growth is minute in comparison with our ever-changing status in the educational development of our students. The alumni are proud to have been a part of this program. It is most gratifying to have returning alumni visit our campus. They are having continued success in the pursuit of knowledge. This should serve as an incentive to us who have not completed our high school career.

The faculty has been entrusted to guide you on the pathway of success. Your ambitions and desires can be met by a united and cooperative effort, and will also lead you to successful and desirable goals. We will anxiously await the visit of our graduates and the return of our students to our school next year. Our growing traditions are a result of pleasant associations and admiration of our school.

We wish you continued success and may we forever be bound by your loyalty.

S — Spirit. The class of '63 was the first class to win the School Spirit Award two years in a row

E — Entries of floats. The seniors displayed their craftsmanship by winning the "Little Brown Jug" in their sophomore year, and sharing it in their senior year

N — Never ending help of sponsors. Thanks to the assistance and guidance of its sponsors, the class was able to benefit from its four years of high school

I — Interest. This has been an active class that has participated in many clubs, activities, and sports

O — Organization. In its junior year the class worked hard sponsoring car washes, bake sales, and a talent show to present an elegant Jr.-Sr. Prom in the Khorassan Room of the Chase Hotel

R — Rose. The class flower chosen by the seniors is the rose

S — "Sift the sands of knowledge for the gold of wisdom." This is the class motto, written by Randy Femmer.

HOMECOMING

The 1962 Homecoming festivities began Friday evening, October 19, with the crowning of the Harvest Queen, Miss Pat Carter and the presentation of her maids of honor. The Queen's two special maids of honor were seniors Gerry Mudrovic and Sue Porter. The other maids were juniors Karen Logan and Paula White, sophomores Carol Jansing and Ann May, and freshmen Jane Caste and Gayle Roman. The Queen and her maids of honor were escorted by members of the "R" Club. The school fight song intermingled with cheers of "Beat Ferguson" echoed through the night air as the annual bonfire was lighted. The tension began to mount for this was the first night to work on the float entries.

Although it rained Saturday morning, the weather cleared in time for the "Little Brown Jug" parade. The seniors, juniors, and sophomores shared the "Little Brown Jug" honors.

Excitement reached its peak as the football game against the undefeated Longhorn Comets was about to begin. The Rams fought a long hard battle, threatening Ferguson's record with a score of 14-13.

That night, alumni as well as students attended the Harvest Dance sponsored by the "R" Club. After the presentation of the court, Bert Krekel, the "R" Club president, presented Pat Carter with a gold football necklace as a token of remembrance of her reign as Harvest Queen. The dance closed the activities of a wonderful Homecoming.

Retiring Queen, Barbara Wells, presents bouquet as announcement of the new Harvest Queen, Pat Carter.

SWEETHEART PROM

The Sweetheart Prom, given by the "Echoes" Staff, was held in the Gold Room of the Sheraton-Jefferson Hotel on February 1. Roses, hearts, and people in formal attire added to the elegance of the room.

The master of ceremonies was Dave Mack and the hostess was Pat Nicholson. The climax of the evening was the crowning of the 1963 Sweetheart Queen, Laurie Babbitt, by Pat Rogers, the retiring queen.

Alumni as well as students enjoyed dancing to the music of Joe Sherwood and his orchestra.

Handwritten text, likely a dedication or message, written in cursive script on the right side of the portrait.

YEARBOOK STAFF

Alexander Bisson said, "Our life is like some vast lake that is slowly filling with the stream of our years. As the waters creep surely upward the landmarks of the past are one by one submerged. But there shall always be memory to lift its head above the tide until the lake is overflowing." I hope your "memory" of Riverview will be supple-

mented by this yearbook

I would personally like to thank the staff members, the editors, and especially Mr. Semple for the time, worry, and preparation that goes into the making of a yearbook. I would also like to thank the student body for their cooperation
